

Rewards

[illegible]

Remember that you must
than punishing or taking
being inconsistent is more
consistent. Change up
menu often- at least every
interesting and novel. The
oppositional behavior is to
access to things they enjoy
with these things you
they meet your
control and wait them out.

be rewarding more often away. Remember also that powerful than being what is on the rewards few weeks, to keep it best way to deal with get control over their and then sell them time provide based on how well expectations. Put them in
